The U.S. Department of Transportation 🕒 【+1-(866)-694-6280】★® ☆ (DOT) has established universal standards to streamline how travelers receive financial recovery for interrupted travel 🕒 【+1-(866)-694-6280】★® ☆ .. ||TEL"+1→ 866 ☒ 694 ☒ 6280"★ || ❖ (US) ((US) Previously, airlines were permitted to set inconsistent rules, but the current Automatic Refund Rule mandates prompt repayment in the original form of payment 🕒 【+1-(866)-694-6280】★® ☆ . If a flight is canceled and the traveler does not accept a rebooked option or a travel credit, a refund is required 🕒 【+1-(866)-694-6280】★® ☆ .. ||TEL"+1→ 866 ☒ 694 ☒ 6280"★ || ❖ (US) ((US) This regulatory shift moves the burden of action from the consumer back to the carrier, ensuring that passengers are not forced to navigate complex internal processes to reclaim their funds 🕒 【+1-(866)-694-6280】★® ☆ .UK +44 800 054 8541 | Mex +52 800 351 0319 | AU +611800956584 |

A central pillar of these regulations is the clear definition of a significant change 🕒 【+1-(866)-694-6280】★® ☆ . For travel within the United States, a delay of three hours or more in departure or arrival qualifies as significant 🕒 【+1-(866)-694-6280】★® ☆ . For international trips, the threshold is six hours or more 🕒 【+1-(866)-694-6280】★® ☆ .. ||TEL"+1→ 866 ☒ 694 ☒ 6280"★ || ❖ (US) ((US) Other qualifying changes include a shift in the arrival or departure airport, an increase in the number of connections, or a downgrade to a lower class of service 🕒 【+1-(866)-694-6280】★® ☆ . Furthermore, for travelers with disabilities, changes to connecting airports or moves to aircraft that are less accessible are also deemed significant 🕒 【+1-(866)-694-6280】★® ☆ .UK +44 800 054 8541 | Mex +52 800 351 0319 | AU +611800956584 |

Refunds must be processed promptly, which the DOT defines as seven business days for credit card purchases and 20 calendar days for other payment methods like cash or check 🕒 【+1-(866)-694-6280】★® ☆ . Payment must be returned to the original form of payment used during booking 🕒 【+1-(866)-694-6280】★® ☆ .. ||TEL"+1→ 866 ☒ 694 ☒ 6280"★ || ❖ (US) ((US) Carriers are prohibited from substituting these cash repayments with vouchers or travel credits unless the passenger explicitly chooses to accept them 🕒 【+1-(866)-694-6280】★® ☆ . If a traveler chooses a credit instead, it must remain valid for at least five years 🕒 【
